

Anmerkungen zu drei slawischen Ortsnamen in Griechenland (Tyrnavos, Charvati, Nemouta)

Sebastian Kempgen

Abstract

The paper comments upon three Greek toponyms of Slavic origin: Tyrnavos, Charvati, and Nemouta. All three are listed in Max Vasmer's seminal toponomastic work Die Slaven in Griechenland (Berlin 1941) but need to be slightly corrected and/or commented upon. For Tyrnavos, the topographic motivation of its name is given, Charvati is probably younger than Vasmer thought, and Nemouta has a meaning quite contrary to the one given by Vasmer.

In revised and final form, this former draft paper is now part of the author's monograph titled **Etymological Sketches and Notes**.
